

Parachuting Teddies

May the 17th dawned bright and sunny, with just a very slight breeze – an ideal day for parachuting teddies off the church tower. In fact 142 bears and soft toys of various shapes and sizes were brave enough to try – some landed on the roof and some in the trees, but all were rescued.

Great fun was had by all with families enjoying a picnic in the warm spring sunshine and others enjoyed sampling the refreshments in church prepared by Ann Ellis and her team. The event raised **£750** for the general fund, and we express our sincere thanks to everyone who helped with the event and those who came along to support it.
