

News from HO

Fr Dennis has now left St Paul's Agbozume for a new three year posting in Morocco which is in the Anglican Diocese of Europe. He was selected from a number of candidates. Bishop Matthias is delighted as he feels Fr Dennis' particular skills will be of great use. There is much interfaith work amongst the poor and refugees there.

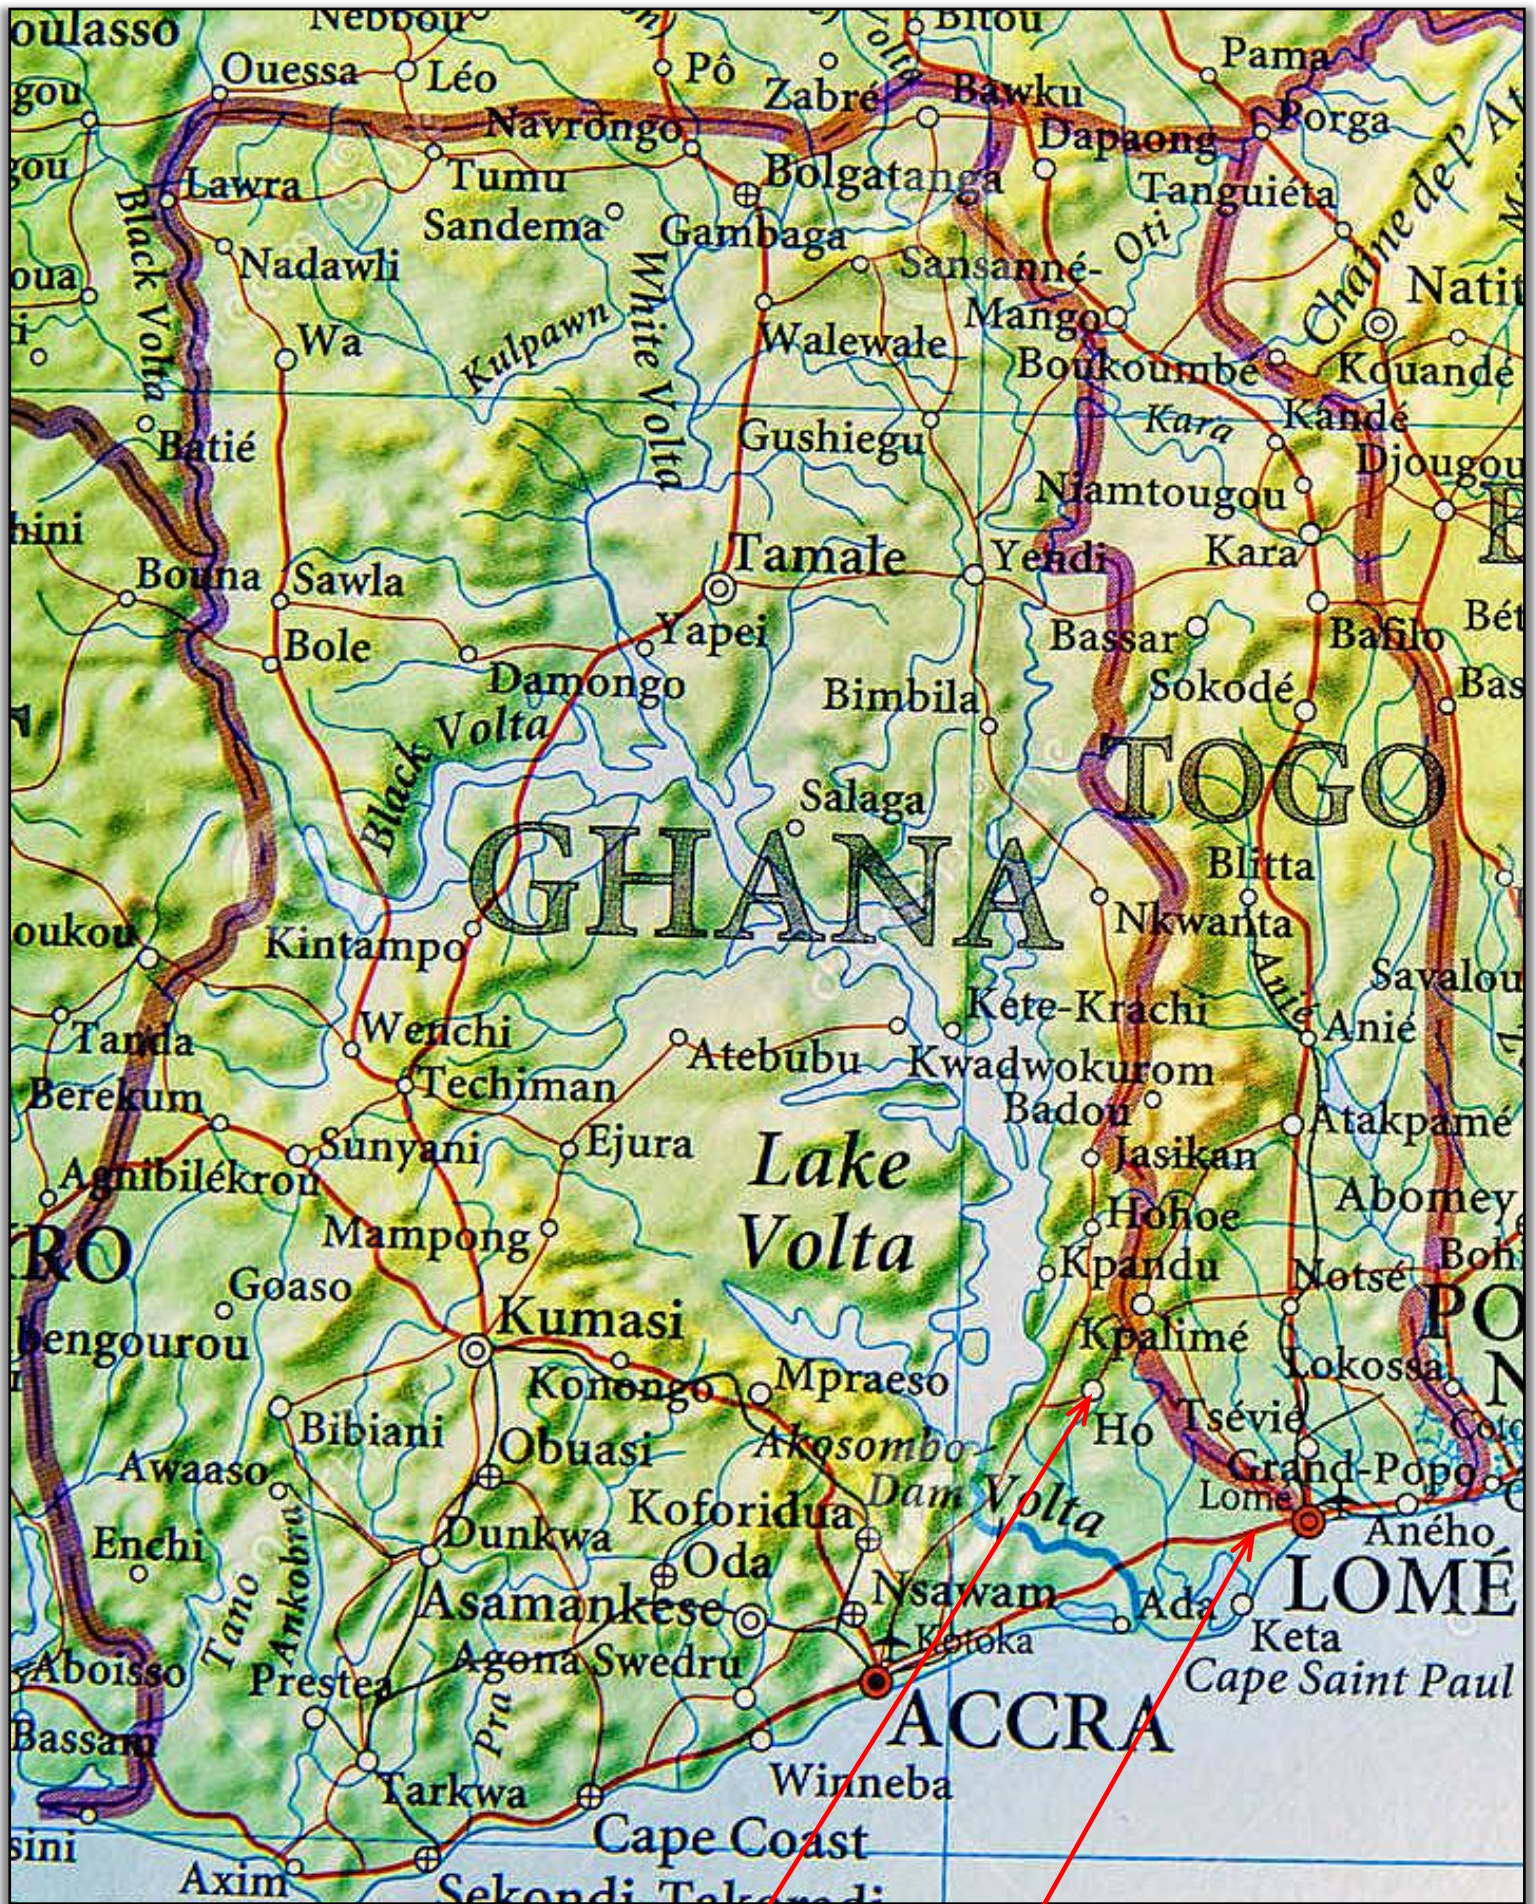

Please continue to pray for Fr Dennis and his wife Antonia in their new life.

The Bishop has made two appointments to St Paul's, commencing 1st July:

Fr. Peter Etse Sokpoli who will live at Agbozume as the Resident Priest; and Fr. Josiah Chukwudolue Ibeto as the supervising Priest, resident in Lome, the capital of Togo, just 18 miles away.
