Additional Information to keep your child safe as they travel to and from Inspire

It is intended that Inspire will provide a safe and secure environment for your child, and we recognise that the teenage years require a balance between giving freedom and keeping safe. - we recognise that expectations of parents may be different and we want to ensure that we follow your wishes

1. Arrival at Inspire

The original arrangement for Inspire was that the children would arrive back in the village on the school bus and come straight to inspire. Over the years we have found that sometimes children go home and change before coming to us. We are not responsible for the child until they arrive with us, but you can ask us below if you would like us to contact you if your child has not arrived by 4.00pm.

2. After Registration

When your child arrives at Inspire they will sign-in on a register giving the time of arrival, We do not then expect them to leave until the session ends at 6.00pm. If they wish to leave beforehand then we would contact you to check that this is OK and clarify arrangements.

3. End of Session

The session ends at 6.00pm and collection arrangements can be detailed below. If we have not been advised in a change in collection arrangements and someone comes to collect your child that we have not been advised of, we will contact you to check

You may wish your child to go to Cook@Chapel after Inspire. We have introduced a new procedure to ensure that the children who have been at have arrived safely at Cook@Chapel. The children leaving Inspire for Cook@Chapel will be expected to walk together and to go straight there. A pro-forma list will be sent to the Cook@Chapel leader, so she will know who to expect.

Please answer the questions below and return this section of the form along with the registration and contact details form
