Dear All

Please see above for the rota. A copy will be placed in the sacristy for the benefit of the churchwardens, and for any visiting priests. A new rota will be made two weeks prior to November 24th, which will include all the services in which servers will be required. If you have any problems or questions, or can't do a particular week of serving that I have put you down for, can you please let me know ASAP so I can make necessary changes.

Thank you all again for your commitment to being a server within this benefice. It's a real pleasure to be able to see young people serving at the Altar of God.

Mike (Head Server)
