

# COVID 19 Guidelines

## Choir Practice

- **A contact list of all those attending must be kept in accordance with the government guidelines for 21 days**
- **Hymn books & music sheets must not be shared except within family bubbles**
- **Prior to the start the toilets should be checked to ensure that there are paper towels and soap present. The water heater switch (Next to the toilet light switch) should be switched on.**
- **Consideration should be given to those who wish to maintain social distancing**
- **If the toilet has been used then all handles, taps and light switches must be cleaned (light switches should not be cleaned using the spray).**
- **Any other light switches and door handles that have been used must be cleaned**
- **Dirty cloths must be thrown in the black bag bin.**
- **Toilet water heater must be turned off.**
- **On no account must one person be left to clean up and lock the church. (This is covered in the general Health and Safety rules)**
