

# **COVID 19 Guidelines**

## **Inspire Youth Group**

- **The Inspire Youth Group will operate within the safeguarding protocols with the additional measures in place in regards COVID 19**
- **Prior to the start the toilets should be checked to ensure that there are paper towels and soap present. The water heater switch (Next to the toilet light switch) should be switched on.**
- **Every effort should be made to avoid any unnecessary contact with any areas outside of the chosen setup.**
- **Consideration should be given for those who wish to continue social distancing.**
- **If the toilet has been used then all handles, taps and light switches must be cleaned (light switches should not be cleaned using the spray).**
- **Any other light switches and door handles that have been used must be cleaned**
- **Dirty cloths must be thrown in the black bag bin.**
- **Toilet water heater must be turned off**
- **Tea & Coffee – Use of Kitchen (See separate guideline sheet)**
