

COVID 19 Guidelines

Little Angels

- A contact list of all those attending must be kept in accordance with the government guidelines for 21 days & in accordance with the Parish Safeguarding rules if applicable.
- Consideration should be given for those who wish to continue social distancing.
- Church supplied toys that have been sanitised or not touch for 48 hours can be made available but they must not be shared. These must not be soft cloth types
- Prior to the start the toilets should be checked to ensure that there are paper towels and soap present. The water heater switch (Next to the toilet light switch) should be switched on.
- Every effort should be made to avoid any unnecessary contact with any areas outside of the chosen setup
- If the toilet has been used then all handles, taps and light switches must be cleaned (light switches should not be cleaned using the spray).
- Any other light switches and door handles that have been used must be cleaned
- Dirty cloths must be thrown in the black bag bin.
- Toilet water heater must be turned off
- Tea & Coffee – Use of Kitchen (See separate guideline sheet)
