

COVID 19 Guidelines

Mid Week Services

- **A contact list of all those attending must be kept in accordance with the government guidelines for 21 days**
- **Prior to the start the toilets should be checked to ensure that there are paper towels and soap present. The water heater switch (Next to the toilet light switch) should be switched on.**
- **Consideration should be given for those who wish to continue social distancing.**
- **If the toilet has been used then all handles, taps and light switches must be cleaned (light switches should not be cleaned using the spray).**
- **Any other light switches and door handles that have been used must be cleaned**
- **Toilet water heater must be turned off.**
- **Dirty cloths must be thrown in the black bag bin**
- **Tea & Coffee – Use of Kitchen (See separate guideline sheet)**
