

Church Accounts for 2022 (and beyond)

Introduction

Name : Mark Edwards

You may know me from Cubs and Scouts previously

I work in IT and am not an accountant, but I manage large scale systems delivery into the care sector.

Been involved with the church for many years, especially in the fundraising events (Bacon Rolls on Easter Monday, the Open Weekend)

Church Accounts for 2022 (and beyond)

- Modernise the church, operationally
 - Office 365
 - Electronic Accounting
 - Card Payment facility
 - Electronic (BACS) Payments
- Look to eliminate our inefficiencies
 - Everything we do needs to be viable
 - We should be looking for the best value in our missions
 - Actively managing our cash flow

You know what I am going to say next...

Church Accounts for 2022 (and beyond)

As the treasurer, I have the dubious honour of standing here to ask everyone, if they are able, to consider giving more in support of our church and mission.

I like a scary graph or two, so this is our main outgoings for the first part of 2022...
